What development coordinator Felicia DuBois at the Southern California Cat Sanctuary needs: Sex with something other than her vibrator. Gender and number of participants optional. What Felicia doesn't need: Someone sabotaging the make-or-break benefit that could mean the future of the sanctuary. She especially doesn't need ultra-sexy Gabe Sullivan from the Zoological Association sniffing around, wielding the authority to close the cash-strapped exotic cat breeding facility. But damn his smoking hotness! Felicia's in a race against time to find both sexual fulfillment and the saboteur before the Sanctuary's future becomes as endangered as the felines it houses.
