Thomas De Quincey

CONFESSIONS D'UN MANGEUR D'OPIUM Témoignage d'un drogué (Camion Noir) (French Edition) Thomas De Quincey

Thomas de Quincey (1785-1859) fut un des écrivains anglais les plus célèbres de son temps. L'audience de son oeuvre dépassa de loin les frontières des îles Britanniques et de son époque et l'on sait qu'il fut un modèle tant pour Edgar Allan Poë, Charles Baudelaire, Nikolai Gogol ou Jorge Luis Borges que pour Hector Berlioz à qui il inspira le thème de la Symphonie fantastique. Auteur brillant, Quincey fut aussi un opiomane frénétique durant toute sa vie et il a rendu compte de son addiction de manière détaillée dans Confessions d'un mangeur d'opium. Ce livre est à ce titre un document du plus grand intérêt car c'est la première description en Europe des effets de cette drogue que Thomas de Quincey décrit ainsi : « Le vin conduit toujours l'homme à la marge de l'absurdité et de l'extravagance, et au delà d'une certaine mesure, il a pour effet, de volatiliser, de disperser les énergies intellectuelles, tandis que l'opium semble toujours faire succéder le calme au désordre, la concentration à l'éparpillement. Pour tout dire en peu de mots, un homme qui est ivre ou qui tend vers l'ivresse, se trouve et sent qu'il se trouve dans une condition qui donne la prépondérance à la partie purement humaine, et trop souvent à la partie bestiale de la nature, tandis que le mangeur d'opium sent s'exalter en lui la partie la plus divine de cette nature, c'est-à-dire que les affections morales jouissent en lui d'une sérénité sans nuage sur laquelle plane la grande et majestueuse lumière de l'intelligence. »
