Drawing and Painting People - A Fresh Approach is about confident and defiant art. Written by a practising artist and tutor, it contains inspiring examples, thought-provoking insights and practical advice about how to become more expressive and adventurous with your work. It is a book for people who are serious about painting and want to develop work that is personal and exceptional in quality. An unpretentious, non-academic approach to painting and drawing, which avoids 'painting by numbers' and offers strategies for independent working, building confidence and taking risks.
