Etiquette for the End of the World Jeanne Martinet

From the author of *The Art of Mingling* comes a witty romantic comedy about endings...and new beginnings

RULE #1: DON'T PANIC—IT ONLY ATTRACTS SHARKS

It's not the end of the world. That's what depressed, 39-year-old Tess Eliot has to remind herself after losing her newspaper column and being dumped by her boyfriend for a younger woman (a feng shui expert? Really?) But when Tess gets hired by a wacky cult to write an etiquette guide to prepare for what the cult believes is imminent global catastrophe, she begins to ask herself: "Wait—could the world actually be coming to an end?"

At first, Tess fakes her way through chapters like "Boundaries in the Bunker" and "Cannibalism: Yes or No?" Then she uncovers what appears to be a bona fide plot for world destruction, and she embarks on a life-changing odyssey—involving all-too-close encounters with touchy-feely survivalists and conspiracy theorists, and one handsome guy who seems way too perfect. Filled with wit and insight (including the "Twelve Rules to Live and Die By"), *Etiquette for the End of the World* is laugh-out-loud fun, with surprising life lessons along the way.

"When the world comes to an end, I want Jeanne Martinet at my side, giving me dating protocol and telling me how to carry my weapons. *Etiquette for the End of the World* is brilliant, page-turning fun."

-- Debra Galant, author of *Rattled*

"Jeanne Martinet has written a wise and witty novel, full of surprises and lovable characters."

-- Richard Marek, author of *Works of Genius*

"Warmhearted and deliciously sly...Read it, laugh out loud, and be prepared for anything!"

-- Laura Moore, author of *Trouble Me*

"A funny, charming and knowing look at post-2012 romance."

-- Dalma Heyn, author of *Marriage Shock: The Transformation of Women into Wives*

"Smart and funny"

-- Randy Cohen, author of *Be Good: How to Navigate the Ethics of Everything*
