Val Rushford has it all: The boyfriend, the looks, the grades, the friends--she's perfect. But when she dumps her cheating boyfriend, Dave, she's bombarded with all types of advances from boys all over school! Totally overwhelmed, Val decides to swear off boys until the end of the year. She buries herself in her school work and spends all her time on a class project that has her paired up with the artsy and intellectual Adam--the unlikeliest candidates to ever win Val's heart...or so she thinks.

Val soon finds a connection in Adam she has never experienced before, but she's so dedicated to her promise and so unsure of her feelings that she keeps him at an awkward distance. If Val can't figure out what she truly wants, she may just lose her one chance at real love!
