## **Nothing to Fear: The Key to Cancer Survival** Larry Burkett

In *Nothing to Fear*, Larry Burkett tells his personal journey of a seven-year battle with cancer. Filled with intimate stories and wisdom from the Word, this book will be a great help to the thousands of people who fight this disease, or to friends and loved ones of those in the midst of the struggle. Larry's 2003 passing was the result of heart failure rather than cancer. His legacy continues today and his words still bring hope to those in need of encouragement. "Even if you can avoid dying from cancer, you'll certainly face something else that will eventually kill you, because all of us are going to die. As good as modern medicine is, it is not the ultimate answer. It will let you down. Trusting God is the answer. He will never let you down."--Larry Burkett
