It's time you understand God's design for you in the church. This is a dynamic program to help Christians understand who God has uniquely made them to be and mobilize them to a place of meaningful service in the local church. Each participant in The Network will work through a series of assessments which lead them to discover their unique blend of spiritual gifts, passion, and personal style. The participants are also taught the Biblical nature and purpose of the church as the body of Christ and the unique importance of each member's contribution. The design and content enable the average reader to have above average success.
