With the Amish church of Stoney Ridge facing a crisis, minister David Stoltzfus must decide if a Quieting will solve the problem...or make it worse.

The Stoltzfus family faces serious problems, both in the church and at home. Everyone in the community expects minister David Stoltzfus to fix things - fast. But David doesn't work fast. He prefers to wait for God to work in individual hearts. However, even he is left wondering if the solution to their most pressing problem might be a Quieting.

When David's mother arrives uninvited, more upheaval is in store. She has matchmaking plans for everyone in the family, including David and her eligible granddaughters - and especially for David's niece, Abigail. When Abigail stumbles onto a curious connection during her genealogical research, it could help David solve one problem - but will it create another?

Best-selling author Suzanne Woods Fisher takes fans back to Stoney Ridge, delivering the twists, turns, and romance they adore.
