Grange House: A Novel Sarah Blake

A beautifully told, captivating novel of 19th century love and intrigue

Maisie Thomas spends every summer with her parents at Grange House, a hotel on an island off the coast of Maine ruled by the elegant but distant Miss Grange. In 1898, when Maisie turns 17, her visit marks a turning point. On the morning after her arrival, local fishermen make a gruesome discovery: two drowned lovers, found clasped in each other's arms. It's only the first in a series of events that cast a shadow over Maisie's summer. As she considers the attentions of two very different young men, one an adventurous writer, the other an ambitious businessman from her father's company, Maisie also falls under the gaze of Miss Grange, who begins to tell her stories of her past. But which are truth and which are fiction? Another death, a cache of diaries, an exchange of letters--and a ghostly apparition--all play a part in changing Maisie's life forever.

Rich with the details, customs, and language of the era, GRANGE HOUSE is part family saga, part ghost-story, part love story; a wonderfully atmospheric, page-turning novel of literary suspense and romance.

From reader reviews:

Tyler Smith:

What do you concentrate on book? It is just for students since they're still students or it for all people in the world, what best subject for that? Just simply you can be answered for that question above. Every person has several personality and hobby per other. Don't to be obligated someone or something that they don't want do that. You must know how great in addition to important the book Grange House: A Novel. All type of book could you see on many methods. You can look for the internet resources or other social media.

Donovan Houseman:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading routine give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want attract knowledge just go with education books but if you want really feel happy read one having theme for entertaining like comic or novel. The Grange House: A Novel is kind of reserve which is giving the reader erratic experience.

Victor Havens:

Reading a e-book tends to be new life style in this particular era globalization. With studying you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their own reader with their story or maybe their experience. Not only situation that share in the books. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some study before they write to their book. One of them is this Grange House: A Novel.

Dwight Hancock:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information from a book. Book is prepared or printed or highlighted from each source that will filled update of news. On this modern era like today, many ways to get information are available for an individual. From media social similar to newspaper, magazines, science e-book, encyclopedia, reference book, story and comic. You can add your understanding by that book. Do you want to spend your spare time to spread out your book? Or just trying to find the Grange House: A Novel when you necessary it?
