## **Life's Garden of Weekly Wisdom** Sandra Lindsey Smith

*Life's Garden of Weekly Wisdom* is a charming and delightful word garden filled with tasty bites for one's soul. This garden promises to give the reader years of spiritual nourishment. Each chapter explores a practical application of principle. Sandy writes with clarity, love and self-awareness. A great book for both a spiritual seeker unfamiliar with Science of Mind principles and the spiritually mature.

"My purpose in writing this book is to speak to those people who feel they are spiritual but don't fit into a typical church philosophy. Everyone has a sense of spirituality; some just haven't met it yet. If you are looking for a new way to view life, I invite you to check out Centers for Spiritual Living at *CSL.org*. I also encourage speakers, ministers, teachers, and others to share these ideas in your own way to inspire other people. To this end, I invite you to explore one lesson each week, by yourself or in a group. I hope you enjoy reading these thoughts on spirituality as much as I enjoyed writing them."
