Marvelous Stories from the Perfection of Wisdom Arya Nagarjuna

This volume consists of 130 stories and short Dharma anecdotes selected from Nagarjuna's immense commentary on The Great Perfection of Wisdom Sutra (Mahaprajnaparamita-upadesa). Each story is "framed" by the inclusion of Nagarjuna's introductory and summarizing Dharma discussions which place the stories in the context of the Bodhisattva Path to buddhahood. The translation and story selection are by the American monk, Bhikshu Dharmamitra. This volume includes facing-page source text in both traditional and simplified scripts.
