Studies in Jaina Philosophy

Nathmal Tatia

Studies in Jaina Philosophy Nathmal Tatia

Nathmal Tatia, one of the leading Jaina scholars of our time, provides us with the first systematic and in-depth study of the great problems dealt with in Jaina philosophy. It begins with the basic Jaina worldview of non-absolutism (anekanta-vada), and deals next with Jaina epistemology. Three major topics are then studied in great detail, with full reference to the Jaina scriptures. These are: the problem of avidya in the various Indian schools; the Jaina doctrine of karman; and Jaina yoga. This latter includes an important study of Haribhadra's comparative studies in yoga. Tatia has here given us a first-rate advanced level study of Jaina philosophy.
