A Chronology of the Crusades

Timothy Venning, Peter Frankopan

A Chronology of the Crusades Timothy Venning, Peter Frankopan

A Chronology of the Crusades provides a day-by-day development of the Crusading movement, the Crusades and the states created by them through the medieval period. Beginning in the run-up to the First Crusade in 1095, to the fall of Constantinople in 1453, and ending with the Turkish attack on Belgrade in 1456, this reference is a comprehensive guide to the events of each Crusade, concentrating on the Near East, but also those Christian expeditions sanctioned by the Papacy as 'Crusades' in the medieval era. As well as clashes between Christians and Muslims in the Latin States, Timothy Venning also chronicles the Albigensian Crusade, clashes in Anatolia and the Balkans and the *Reconquista* in the Iberian Peninsula. Both detailed and accessible, this chronology draws together material from contemporary Latin/Frankish, Byzantine and Arab/Muslim sources with assessment and explanation to produce a readable narrative which gives students an in-depth overview of one of the most enduringly fascinating periods in medieval history.

Including an introduction by Peter Frankopan which summarises and contextualises the period, this book is an essential resource for students and academics alike.
