The Paleo Diet for Athletes: The Ancient Nutritional Formula for Peak Athletic Performance

Loren Cordain, Joe Friel

The Paleo Diet for Athletes: The Ancient Nutritional Formula for Peak Athletic Performance Loren Cordain, Joe Friel

A breakthrough nutrition strategy for optimum athletic performance, weight loss and peak health based on the Stone Age diet humans were designed to eat.

Paleo-style diets are all the rage as fitness enthusiasts, including the booming nation of CrossFitters, have adopted high protein, low-processed-food diets to fuel their exercise. It all began with the publication of the book *The Paleo Diet* by renowned scientist Loren Cordain, Ph.D., who presented a breakthrough plan for weight loss and disease prevention without dieting or exercising. In 2005, Dr. Cordain joined with endurance coach Joe Friel to write *The Paleo Diet for Athletes*. It sold 8,000 copies that first year, but it has sold even better as a backlist title--more than 20,000 units in both 2010 and 2012.

Now, the authors offer an updated and revised edition of *The Paleo Diet for Athletes* specifically targeting runners, triathletes, and other serious amateur athletes. Cordain and Friel show that by using the foods our bodies were designed to eat--protein, fruits and vegetables, healthy fats and even some saturated fats--anyone can achieve total-body fitness and dramatically improve the strength and cardiovascular efficiency. *The Paleo Diet for Athletes* gives specific guidelines for what to eat before, during and after a workout or competition along with simple, tasty recipes packed with power and wholesome ingredients.
