**The final and conclusive book in the groundbreaking series on boys and their development**

In this climax to his series of landmark books about boys, Michael Gurian offers a powerful new program to help us give our sons a core purpose—a program based on building morality, character, career goals, the ability to form intimate relationships, selflessness, personal and community responsibility, and an accelerated process of developmental maturity. - Draws on the latest science and field research on how boys develop neurologically
- Gurian explores the unique issues boys must confront, and shows how their strategy for moral development and success in life is predicated on their nature and genetic predispositions.
