Work and Struggle: Voices from U.S. Labor Radicalism

Work and Struggle: Voices from U.S. Labor Radicalism focuses on the history of U.S. labor with an emphasis on radical currents, which have been essential elements in the working-class movement from the mid nineteenth century to the late twentieth century. Showcasing some of labor's most important leaders, *Work and Struggle* offers students and instructors a variety of voices to learn from -- each telling their story through their own words -- through writings, memoirs and speeches, transcribed and introduced here by Paul Le Blanc. This collection of revolutionary voices will inspire anyone interested in the history of labor organizing.
