On the run and under fire

Providing medical relief in a war-torn region helps Alex Peters forget his past and focus on the job—delivering babies. Less easy to overlook is his blonde comrade-at-arms, who knows nothing of the trouble he's running from. Katie McCloud makes the assignment bearable, although her perky innocence proves to be an arousing distraction. Then, as combat explodes around them, their only option is flight.

A kindergarten teacher seeking adventure, Katie hoped this humanitarian mission—and the mysterious, sexy doctor sharing it—would push her out of her comfort zone. With Alex, she starts taking tantalizing risks and becoming the survivor she knew she could be.

But back on U.S. soil, Alex and Katie face a new threat, and this time they're the target. Forced into close confines, neither can believe the other isn't the intended mark. With only each other to depend on—and suspect—Alex and Katie can't avoid the simmering attraction between them. But to stay alive, they'll have to trust more deeply than ever before....

From reader reviews:

Alfred Stevens:

In this 21st millennium, people become competitive in each way. By being competitive currently, people have to do something to make these people survive, being in the middle of the actual crowded place and notice by surrounding. One thing that occasionally many people have underestimated that for a while is reading. Yep, by reading an e-book your ability to survive increases then having a chance to stand up than others is high. For yourself who want to start reading a new book, we give you this particular Close Pursuit (Hqn) book as a basic and daily reading book. Why, because this book is usually more than just a book.

Pearl Dyson:

Playing with family inside a park, coming to see the sea world or hanging out with friends is a thing that usually you may have done when you have spare time, subsequently why you don't try a factor that is really opposite from that. One activity that makes you not experience tired but still relaxing, thrilling like on a roller coaster you have been riding on and with additional details. Even you love Close Pursuit (Hqn), you are able to enjoy both. It is an excellent combination right, you still would like to miss it? What kind of hangout is it? Oh, it can occur in its mind hangout places. What? Still don't understand it, oh come on its known as reading friends.

Eddie McCoy:

Don't be worried if you are afraid that this book may fill the space in your house, you might have it in e-book technique, more simple and reachable. This particular Close Pursuit (Hqn) can give you a lot of pals because by you looking at this one book you have things that they don't and make you more like an interesting person. This particular book can be one of one step for you to get success. This reserve offers you information that maybe your friend doesn't realize, by knowing more than various others make you to be great people. So, why hesitate? Let me have Close Pursuit (Hqn).

Rhonda Lanham:

As a university student exactly feel bored to be able to read. If their teacher questioned them to go to the library or even make a summary for some reserve, they are complained. Just little students that have reading's heart and soul or real their passion. They just do what the educator wants, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore, this Close Pursuit (Hqn) can make you truly feel more interested to read.
