Fabulous Crocheted Ponchos: New Styles, New Looks, New Yarns Terry Taylor

Two hot trends combine in one classic collection: the popular poncho and the hip craft of crochet. And these 33 designs take the versatile wardrobe staple to new heights of sophistication: they feature a range of neckline and hem variations, and come in a variety of yarns, including novelty types like ribbon, faux suede, and fur. Some are long, others short; some are dressy, others just made for a fancy night on the town. And the majority are one size fits all. With the help of a well-illustrated basics section, brand-new or out-of-practice crocheters can confidently pick up their needles and create an open-weave poncho with sleeves and cuffs, a wrap-up for winter, a shimmering gold lacy poncho, and other showstoppers.
