Flynn Nightsider and the Edge of Evil Mary Fan

Light streaks the night, guns blast, and supernatural beasts prowl the land. But this is no war. The war ended long ago.

This is a holiday, dedicated to celebrating the Enchanters' victory over the Lord of the Underworld. But with the Enchanters' authoritarian Triumvirate condemning anyone who questions them, sixteen-year-old Flynn Nightsider doesn't see much cause for celebration.

Doomed to second-class life as a Norm and fed up with the Enchanters' lies and secrecy, he longs for change. And when he stumbles across a clue that hints at something deeper—secrets in the dark, the undead, and the man that once controlled them—he realizes that he might be destined for more than the lowly life of a non-magical citizen.

Flynn Nightsider, Norm orphan, finds his voice. And he begins fighting the system.

Before long, he finds himself hunted not only by the government, but by nighmarish creatures and a supernatural villain of unknown strength ... all out to get him for reasons he cannot understand.

Underground rebels—his only allies—entice him with their vision of a better world, seeking to use his unrecognized talents. And as the vicious creatures of the Underworld become bolder and the nation teeters on the brink of revolution, he is forced to admit three things.

The rebellion is not what it seems.

His own power is *more* than it seems.

And the fate of the world now rests in his hands.
