*My future is here. My aim is clear and simple. I want out. I wanna be rich.
Im not gonna pretend its anything more than that and I want it now.*

David, Kojo and Sharon grew up on a London estate. Now in their mid 20s, theyre eyeing another kind of life. But how do you choose the right path when temptation lies around every corner? If your emotional or financial debt is sky high, how do you buy your way out?

Bola Agbajes smart, savvy second play for the Royal Court asks whether being out of the system might be just as good as being in it. Her characters struggle to ignore the pull of lawless gain and in their newly-respectable, adult lives, find it hard to move away from a background which both haunts them and entices them back. Agbajes characteristically energetic, vibrant dialogue captures the dynamic rhythm of spoken language and she portrays an under-represented slice of society with skill and compassion.
