The face is characterized by a specific expressiveness and is thus an important part of any artistic composition. To be able to draw it correctly requires prior knowledge. One must understand the art of measuring, the rules of perspective, and the intricacies of drawing simple forms. The capturing and recreation of character attributes are special challenges requiring knowledge and use of the rules. András Szunyogy's decades of experience as an artist and teacher predestines him for the compilation of a groundlaying system of rules for the learning of this art. This book provides not only beginners but also advanced artists comprehensive assistance.
