The reverse side includes a street plan of Zakopane, an overview road map showing the access to the mountains as well as the roads around the mountains plus a simplified map of the Tatra showing all hiking trails in their respective colours. Added are some notes about the Tatra in Polish only plus colour pictures. The map has a UTM grid showing latitude and longitude at intervals of 1'. Map legend is in English, German, Slovak and Polish, otherwise description of places of interest is in Polish only.
