## **The Merry-Go-Round: "I love trying things and discovering how I hate them." D.H. Lawrence**

For many of us DH Lawrence was a schoolboy hero. Who can forget sniggering in class at the mention of *Women In Love* or *Lady Chatterley's Lover*? Lawrence was a talented if nomadic writer whose novels were passionately received, suppressed at times and generally at odds with Establishment values. This of course did not deter him. At his death in 1930 at the young age of 44 he was more often thought of as a pornographer but in the ensuing years he has come to be more rightly regarded as one of the most imaginative writers these shores have produced. As well as his novels and of course his poetry - he wrote in excess of 800 of them he was also a very talented playwright. These works have not been given quite the attention they deserve. Here we publish 'The Merry-Go-Round'.
