Tumble & Fall Alexandra Coutts

A novel about the end of days full of surprising beginnings

The world is living in the shadow of oncoming disaster. An asteroid is set to strike the earth in just one week's time; catastrophe is unavoidable. The question isn't how to save the world-the question is, what to do with the time that's left? Against this stark backdrop, three island teens wrestle with intertwining stories of love, friendship and family-all with the ultimate stakes at hand.

Alexandra Coutts's TUMBLE & FALL is a powerful story of courage, love, and hope at the end of the world.
