**We're Gonna Make You Whole (Oberon Modern Plays)** Yasmine Van Wilt

'The Gulf is a graveyard. But come on in, the water's fine... You're coming with me on one fiery fucking bronco ride. Ask me nicely, and I'll let you be on top.'

Based loosely on the testimonies of more than one hundred Gulf of Mexico residents, *We're Gonna Make You Whole* is a passionate magical-real political drama that follows the lives of five people brought together by environmental tragedy. Set in Louisiana, the play examines how the petrochemical industries have forever altered the lives and livelihoods of the people of the Gulf of Mexico.
