## **Industrial musics Volume 1 (French Edition)** Eric Duboys

Le concept de musique industrielle forgé par le groupe Throbbing Gristle au milieu des années soixante-dix a par la suite connu de singulières évolutions avec le nombre pléthorique de formations qui se sont ralliées à cette mouvance du rock expérimental. En un très court laps de temps, on a même vu apparaître ce qu'il n'est pas exagéré d'appeler un véritable mouvement se réclamant de l'industriel, englobant des univers sonores et des démarches très différentes les unes des autres, parfois même inconciliables en apparence. Il apparaissait donc nécessaire d'établir un panorama de ce courant encore très mal connu, dans l'optique première d'en révéler toute la richesse et la variété. Ce premier volet de Industrial Musics s'attache à relater dans le détail les parcours respectifs de ces grands précurseurs du genre que sont Cabaret Voltaire, SPK, Lustmord, Clock DVA, Einstürzende Neubauten, Test Dept, Whitehouse, Boyd Rice et Laibach.
