On the Christian Life: Extended Annotated Edition John Calvin

This is the extended and annotated edition including

* an extensive biographical annotation about the author and his life

This book treats of the Life of the Christian. Its five chapters are arranged as to admit of being classed under two principal heads.

First, it must be held to be an universally acknowledged point, that no man is a Christian who does not feel some special love for righteousness, chap. i. Second, in regard to the standard by which every man ought to regulate his life, although it seems to be considered in chap. ii. only, yet the three following chapters also refer to it. For it shows that the Christian has two duties to perform. First, the observance being so arduous, he needs the greatest patience. Hence chap. iii. treats professedly of the utility of the cross, and chap. iv. invites to meditation on the future life. Lastly, chap. v. clearly shows, as in no small degree conducive to this end, how we are to use this life and its comforts without abusing them.
