## Safe Senior Drivers: A Guide for a Critical Time

The post–World War II generation, the Baby Boomers, are beginning to retire at a time when U.S. life expectancy has never been higher. As a result, the population of senior drivers is exploding, a phenomenon that will create potentially massive problems for our traffic planners, highway safety engineers, and healthcare providers, as more and more Americans in their 70s, 80s, and even 90s continue to ply the roadways. *Safe Senior Drivers* is a unique, invaluable tool for keeping yourself—and your aging parent—as safe as possible on the roads. Packed with useful information and references, this guide is the clearest, most comprehensive resource available on what indeed is a critical time in the life of everyone who intends to stay behind the wheel and function well in today’s driving environment.
