González Valencia

Excerpt from Separation of Panama From Colombia: Extracts of Letters Addressed by Jose M. Gonzalez Valencia, Former Minister of Foreign Affairs of Colombia, to a Friend of Colombia in the United States, as a Reply to the Assertions Made by Mr. Wilfred H. Schoff in His Pamphlet Entitled: "Extension of Re

Mr. Schoff says:

"The relations of the Isthmus to the Colombian union and of the United States to the Isthmus seem to resolve themselves into two definite propositions: First, that in joining the Colombian union the Isthmus reserved the right to separate therefrom, fought for that right when it was trespassed upon, secured the acknowledgment thereof in two constitutions of the Republic, never relinquished that right, and exercised it in 1903 in accordance with the original reservation."

Evidence may be found in the act of independence of Panama from Spain that it was not the intention of the Panamanians, when they proclaimed their emancipation from Spain, to be separated from New Granada. Under the Spanish rule, at the time of the emancipation, Panama was a portion of the Viceroyalty of New Granada as shown in the acts to which reference is made in Mr. Schoff's pamphlet.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
