The State of Montana

Maxim Jakubowski

The State of Montana Maxim Jakubowski

“Montana had never been to Montana,” begins Maxim Jakubowski’s new erotic shocker. Following on from the despair and tenderness of his collection *Life in the World of Women*, the savage and brutal darkness of *It’s You That I Want to Kiss*, and the bleak and explicit love story of *Because She Thought She Loved Me*, Maxim Jakubowski now offers his own version of *The Story of O*. In this gripping, heartbreaking tale – one with the modern zest of Bunuel’s *Belle de Jour* – a Montreal housewife seeks to fill her emptiness through anonymous encounters in Internet chat rooms and in airport hotel bars and bedrooms, and these adventures ultimately lead her to a terrifying sexual saga in a New York brownstone.

From reader reviews:

Wendy Ray:

Have you spare time to get a day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity with regard to spend your time. Any person spent their particular spare time to take a go walking, shopping, or went to often the Mall. How about open as well as read a book eligible The State of Montana? Maybe it is to be best activity for you. You know beside you can spend your time together with your favorite's book, you can wiser than before. Do you agree with their opinion or you have some other opinion?

Marsha Young:

Information is provisions for individuals to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even a concern. What people must be consider any time those information which is in the former life are difficult to be find than now is taking seriously which one works to believe or which one the actual resource are convinced. If you receive the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen with you if you take The State of Montana as the daily resource information.

Frederick Palazzo:

People live in this new moment of lifestyle always attempt to and must have the extra time or they will get wide range of stress from both daily life and work. So , once we ask do people have free time, we will say absolutely of course. People is human not really a huge robot. Then we consult again, what kind of activity do you possess when the spare time coming to an individual of course your answer will unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read is usually The State of Montana.

Elois Montgomery:

You may spend your free time to see this book this reserve. This The State of Montana is simple to develop you can read it in the area, in the beach, train and also soon. If you did not have much space to bring the actual printed book, you can buy often the e-book. It is make you easier to read it. You can save often the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.
