In *The World to Come* bestselling author and world-renowned psychic Ruth Montgomery presents a wealth of new material about who we are, where we are headed, and how we can cope with the political and natural upheavals that loom in our future.

Many rank Montgomery's remarkable powers of foresight with those of Nostradamus and Edgar Cayce. Now, with the clarity and candor that has won her such a loyal following, Ruth gives a tour of the next century and beyond. Ruth discusses her guides' prediction that the earth is bound to shift on its axis and provides information about what areas are safest as severe global weather patterns intensify. She also shares stories of numerous people from ancient Palestine, including herself, who have been reincarnated at this time to help bring peace and healing to the world. Finally, in what she intends as her farewell book, Ruth offers a warm and fascinating look at her own life.
