## **Vida del escudero Marcos de Obregón (Spanish Edition)** Vicente Espinel

Relaciones de la vida del escudero Marcos de Obregón, es más un relato de aventuras que una obra picaresca. Su estilo se aleja de la ampulosidad de otras obras del género. Está ambientada en lugares muy disímiles (una de las escenas cuenta su cautiverio en Argelia). La crítica incluye a Espinel entre los autores que reflejaron las vidas de una clase en decadencia en la España de entonces: los cristianos de origen islámico. Asimismo la Vida del escudero Marcos de Obregón contiene fascinantes escenas sobre la práctica musical en la corte española de su tiempo.
