Hebrew in Living Color? What does that mean? Colorized Hebrew to English translation is an innovative learning tool created and developed by author J. Steven Babbitt (Unlocking the Ancient Hebrew Alphabet Code and the Book of Ruth in Living Color). Sentences and phrases are shown line-by-line with the fully colorized Biblical Hebrew text on the left and the corresponding colorized English translation on the right. Each Hebrew prefix and suffix is also individually colorized, allowing the reader to quickly and easily determine the parts and meanings of even the most complicated Hebrew expressions. Verb roots, the heart of Biblical Hebrew, are shown in red and fully explained. Nouns are printed predominantly in blue or black, and prepositions appear in purple. No longer will students of Biblical Hebrew find themselves asking, “How did they get that?” as they read the original Hebrew and its corresponding English translation. Biblical Hebrew can be confusing and even intimidating for the beginning and intermediate Hebrew student. It is often difficult to make the transition from studying Hebrew words and simple sentences to reading Hebrew Scriptures. However, whether studying alone or as part of an instructional program, the Hebrew in Color Series™ now makes it possible for students of Hebrew to begin reading, with full comprehension, the Hebrew Bible in its original language. Furthermore, the Hebrew in Color Series™ allows you to develop a strong vocabulary and provides Hebrew grammar explanations in the margins as they appear within the context of the authentic Hebrew Scriptures. Genesis, Volume I, is the second book of the Hebrew in Living Color™ Series, which began with the Book of Ruth in Color. Volumes 2 and 3 of Genesis in Color follow this colorized edition of Genesis. Volume two covers Genesis 6 – 11, Parashat Noach (Noah). Volume 3, Parashat Lech Lecha, covers the story of Abraham, Genesis 12 – 17.
