## **La noche de Tlatelolco (Spanish Edition)** Elena Poniatowska

La noche de Tlatelolco es quizá el libro mexicano más reeditado de los tiempos recientes, y con sobrada razón: en él Poniatowska reunió numerosos testimonios cruciales, vivos, asustados, indignados, dignos, valerosos, desafiantes, de los trágicos días de octubre de 1968. La intensidad de la crónica, el dolor del testimonio y la fuerza avasalladora de la denuncia le confieren a este libro su condición ejemplar. Ha sido, en efecto, un modelo tanto por su concepción y su factura como por su resonancia: es historia viva, memoria rebelde, arma contra el silencio. Como tal, La noche de Tlatelolco es el libro emblemático de México en las últimas décadas.
