Making the Gods Work for You: The Astrological Language of the Psyche Caroline Casey

Making the Gods Work for You presents internationally renowned author Caroline W. Casey's remarkable doctrine of Visionary Activist Astrology. In this reverently irreverent mystery school disguised as a book (in which each of the planetary gods is a professor), we are invited to think of our lives as spiritual detective novels. For example, Venus teaches us that our affinities and quirks are clues to our unique mission and contribution to the world. The astrological language of the psyche is a tool for deciphering and revitalizing this sense of mission. Casey teaches you how to expand your range of intimacy with the ten parts of yourself represented by the planets, here called gods. You will learn how to use this language to reverence and feed the forces of your psyche that connect you to very real external forces. This book intends to catalyze a movement to engage the imagination of all people with a sense of humor and a desire to do collaborative good in the world.

Expanding on the ideas first presented in her popular audiotape series, *Inner and Outer Space*, Casey explores the archetypes at the heart of human relationships, aspirations, and spiritual quests. In an engaging narrative enlivened by stories, fables, exercises, and meditations developed through her work as an astrological counselor, she provides a practical system of personal and collective liberation. *Making the Gods Work for You* provides us with innovative principles to live by and rituals inviting us to become active, dynamic participants in the dance of life. We can then become increasingly conscious players on the team of creation, capable of sharing our gifts with the world at this crucial historical time.
