Vanishing Point

Jorge Sá Earp

Vanishing Point Jorge Sá Earp

Vanishing Point is set in Brasilia some ten years after its inauguration. By that time it was beginning to take on the accoutrements of an urban center: malls, shopping centers, restaurants, bars, nightclubs, athletic clubs, two universities, and even some of the underbelly of any city—prostitution, hustling, criminality. Well-heeled politicians continued doing what they had always done—flying into Brasilia for business and then returning to Rio, Sao Paulo, or a dozen other sophisticated home cities. But the regular folks, the bureaucrats, the professors, the business people, even politicians' family members, were stuck there building a middle-class life in a rather forlorn environment, lacking most of what they had left behind in their robust urban centers that hug the coastline.

In Vanishing Point we come to know a small group of such society-builders, most of whom happen to be gay or lesbian, either in or out of the closet. If social life was difficult for the majority population, imagine what it was like for the LCBT crowd: seeking out partners, finding meeting points, trying to keep secrets in a prejudiced and relatively closed, small cosmos.

From reader reviews:

Iris Wright:

Reading can called brain hangout, why? Because when you find yourself reading a book particularly book entitled Vanishing Point your mind will drift away trough every dimension, wandering in most aspect that maybe unidentified for but surely will become your mind friends. Imaging every single word written in a publication then become one form conclusion and explanation in which maybe you never get before. The Vanishing Point giving you one more experience more than blown away the mind but also giving you useful info for your better life in this era. So now let us teach you the relaxing pattern is your body and mind will probably be pleased when you are finished examining it, like winning a. Do you want to try this extraordinary paying spare time activity?

Randy Hunter:

This Vanishing Point is new way for you who has curiosity to look for some information mainly because it relief your hunger associated with. Getting deeper you onto it getting knowledge more you know or you who still having small amount of digest in reading this Vanishing Point can be the light food to suit your needs because the information inside this book is easy to get by anyone. These books create itself in the form which is reachable by anyone, yep I mean in the e-book type. People who think that in e-book form make them feel drowsy even dizzy this e-book is the answer. So there isn't any in reading a e-book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss the item! Just read this e-book sort for your better life along with knowledge.

Felix Smith:

In this particular era which is the greater particular person or who has ability in doing something more are more precious than other. Do you want to become considered one of it? It is just simple strategy to have that. What you should do is just spending your time not very much but quite enough to get a look at some books. Among the books in the top record in your reading list is definitely Vanishing Point. This book which can be qualified as The Hungry Hills can get you closer in becoming precious person. By looking up and review this e-book you can get many advantages.

Clement Williams:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Vanishing Point can make you feel more interested to read.
