BOOK SYNOPSIS

Alan Ayckbourn was a young actor when an accidental remark led him into the world of playwriting. During rehearsal, Ayckbourn complained about the role he was playing that day. Stephen Joseph, his mentor, threw down his script and said that if Alan wanted better roles, he should write them himself. Ayckbourn did just that. He penned *The Square Cat*, which had a successful run in Scarborough, England during the summer of 1959.

Setting the playwright in context to his personal life, social, historical and political events, other writers of influence, and more, you will quickly gain a deep understanding of Alan Ayckbourn and the plays he wrote. Read *Ayckbourn in an Hour* and experience his plays like never before. **Know the playwright, love the play!**
