## **English Language Teachers on the Discursive Faultlines: Identities, Ideologies and Pedagogies (New Perspectives on Language and Education)** Julia Menard-Warwick

This book brings the voices of teachers into the fierce debates about language ideologies and cultural pedagogies in English language teaching. Through interviews and classroom observations in Chile and California, this study compares the controversies around English as a global language with the similar cultural tensions in programs for immigrants. The author explores the development of teacher identity in these two very different contexts, and through the narratives of both experienced and novice teachers demonstrates how teacher identity affects the cultural pedagogies enacted in their classrooms.

#### **Benjamin Herrera:**

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country.

Therefore , this English Language Teachers on the Discursive Faultlines: Identities, Ideologies and Pedagogies (New Perspectives on Language and Education) can make you really feel more interested to read.
