Feminist Perspectives on Tort Law

Feminist Perspectives on Tort Law

Feminist Perspectives on Tort Law offers a distinctly feminist approach to key topics in tort law. Ten original essays written by feminist legal scholars from the UK, US, Canada and Australia encompass a range of ways of thinking about women, tort law and feminism. The collection provides a fresh and original analysis of issues of long-standing concern to feminists as well as nascent areas of concern. These include conceptions of harm, constructions of reasonableness, the duty of care, the public/private divide, sexual wrongdoing, privacy and environmental law.

Written with both scholars and students in mind, Feminist Perspectives on Tort Law is an important and timely addition to key debates in tort law..
