North Carolina's Moral Monday protests have drawn tens of thousands of protestors in what has been called the new Civil Rights Movement. *Forward Together: A Moral Message for the Nation* shares the theological foundation for the Moral Monday movement, serving as a proclamation of a new American movement seeking equal treatment and opportunity for all regardless of economic status, sexual preference, belief, race, geography, and any other discriminatory bases. The book will also serve as a model for other movements across the country and around the world using North Carolina as a case study, providing useful, practical tips about grassroots organizing and transformative leadership.
