Have you ever watched a child play outdoors? If you have then it is a certainty that you have seen them play with all the creepy crawly there are around. Children seem to be drawn to the world of insects. An Insecto-pedia world picture is the perfect way for your child to see that there are more insects in the world than just the ones in your back yard. You can sit your child down and explore the world with them. See the excitement on their face as they see all the colorful insects that they have never seen before.
