Meet the Shopkins Kids Club, six friends who get together every week to trade and play with their favorite characters, collecting their own adventures along the way.

Identical twins Ava and Bella look alike, and they often dress alike, too. But when the Shopkins Kids Club agrees to go to a costume party dressed as Shopkins characters, the two sisters disagree about what to wear. Ava wants to go in matching “prom” dresses inspired by Prommy—one sister in pink, and one in yellow. But Bella wants to wear a costume inspired by Betty Boot. Boots are more Bella’s style, especially since she dreams of taking horseback riding lessons one day.

Bella doesn’t want to disappoint her sister, so her friends help her come up with a clever plan. Gabby will wear the yellow prom dress that matches Ava’s. And Bella can wear a cowgirl costume. If all the girls wear masks, they might even be able to pull this off without Ava finding out!

But sneaking around is an awful lot of work. Can Bella find the courage to stop hiding and express her own style?

Finding your own voice and friendship take center stage in the second Unofficial Shopkins Collectors story. You’ll want to collect the whole series!

Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
