Child of the Twenties

Frances Donaldson

Child of the Twenties Frances Donaldson

No names are dropped for the sake of it. No mad and witty intimacies with the great are vaunted. Few wild parties are attended, despite the eccentric pressures of Frances Donaldson's father, the playwright Frederick Lonsdale, whose personality is one of the book's delights.

First published in 1962, in her neat and good-tempered way the author brings alive the attitudes and the atmospheres common to the twenties and thirties. Abetted by her father, she passed through the mill of night-clubs into a faulty marriage, from which she escaped early in the thirties to take part in her second husband's, Jack Donaldson's, heartening social experiment in Peckham. Using the same intelligence that brought success in her father's sophisticated entourage, she now became part of the serious world of left-wing intellectualism; in those frivolous times a most unfashionable pursuit. And with that she abandons us on the eve of the Second War; leaving us with an impression of the intelligence, humour and skill with the pen which, in the quarter century since this book was first published, have made the name of Frances Donaldson famous as the eminent biographer of such figures as Edward VIII and P.G. Wodehouse.

From reader reviews:

David Nester:

People live in this new day of lifestyle always aim to and must have the spare time or they will get large amount of stress from both lifestyle and work. So , if we ask do people have time, we will say absolutely of course. People is human not really a robot. Then we request again, what kind of activity are there when the spare time coming to you of course your answer may unlimited right. Then ever try this one, reading textbooks. It can be your alternative with spending your spare time, the particular book you have read is actually Child of the Twenties.

James Robinson:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you could have done when you have spare time, after that why you don't try point that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Child of the Twenties, you can enjoy both. It is very good combination right, you still want to miss it? What kind of hangout type is it? Oh seriously its mind hangout folks. What? Still don't obtain it, oh come on its named reading friends.

Harold Dalton:

What is your hobby? Have you heard this question when you got students? We believe that that concern was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person including reading or as reading through become their hobby. You need to understand that reading is very important and also book as to be the thing. Book is important thing to include you knowledge, except your own teacher or lecturer. You find good news or update with regards to something by book. Amount types of books that can you choose to use be your object. One of them are these claims Child of the Twenties.

David Yoon:

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book. Book is created or printed or illustrated from each source that will filled update of news. In this particular modern era like now, many ways to get information are available for an individual. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just looking for the Child of the Twenties when you necessary it?
