**Por tierras de Antequera (Spanish Edition)** María Antonia López-Burgos del Barrio

Por Tierras de Antequera ofrece un panorama riquísimo de impresiones y visiones sobre esta ciudad y comarca [...] dichas impresiones están mediatizadas por los estereotipos con que los extranjeros trataban de entender España, ese curioso y fascinador país del sur de Europa. No obstante, si se hace una buena criba de tópicos y lugares comunes, el lector encontrará datos, comentarios y opiniones de gran interés documental, artístico, social y antropológico. Su lectura es una delicia para el aficionado a viajar a través de las páginas de los libros. En suma, María Antonia López-Burgos ofrece en este volumen una excelente antología de textos que encantará a los que llevamos muy dentro de nosotros a las tierras y gentes de Antequera, con sus bellezas, defectos y virtudes, así como a todo lector curioso. (Extracto del Prólogo)
