John Ferling

Whirlwind: The American Revolution and the War That Won It John Ferling

Amid a great collection of scholarship and narrative history on the Revolutionary War and the American struggle for independence, there is a gaping hole; one that John Ferling's latest book, *Whirlwind*, will fill. Books chronicling the Revolution have largely ranged from multivolume tomes that appeal to scholars and the most serious general readers to microhistories that necessarily gloss over swaths of Independence-era history with only cursory treatment.

Written in Ferling's engaging and narrative-driven style that made books like *Independence* and *The Ascent of George Washington* critical and commercial successes, *Whirlwind* is a fast-paced and scrupulously told one-volume history of this epochal time. Balancing social and political concerns of the period and perspectives of the average American revolutionary with a careful examination of the war itself, Ferling has crafted the ideal book for armchair military history buffs, a book about the causes of the American Revolution, the war that won it, and the meaning of the Revolution overall. Combining careful scholarship, arresting detail, and illustrative storytelling, *Whirlwind* is a unique and compelling addition to any collection of books on the American Revolution.

From reader reviews:

Joe Stearns:

Why? Because this Whirlwind: The American Revolution and the War That Won It is an unordinary book that the inside of the publication waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of advantages than the other book have got such as help improving your skill and your critical thinking approach. So , still want to hold up having that book? If I had been you I will go to the reserve store hurriedly.

Patrick Cartwright:

Are you kind of hectic person, only have 10 as well as 15 minute in your morning to upgrading your mind skill or thinking skill also analytical thinking? Then you are experiencing problem with the book compared to can satisfy your small amount of time to read it because all of this time you only find guide that need more time to be examine.
