## **El Hierro en saudades da terra (Tierra Negra) (Spanish Edition)** Gaspar Frutuoso

El portugués Gaspar Frutuoso puede considerarse parte de aquel grupo de humanista que produjo el Renacimiento; pues a un conocimiento enciclopédico aúna el oficio de literato, poeta y afecto a las ciencias. Su magna obra Saudades da terra (1586-1590) contiene tal acervo de datos sobre genealogía, historia, geografía, toponimia, historia natural, y efemérides que resulta indispensable para conocer el estado general de las islas atlánticas que conforman ese enclave biogeográfico que hoy conocemos como Macaronesia, y que nuestro autor adivinó con cuatro siglos de anticipación. Frutuoso dedica once capítulos del Libro I de Saudades da terra, a Canarias; de ellos, el XIX presenta su particular versión de la conquista de El Hierro, así como una descripción del Garoé, al que llama «Árbol Santo», la geografía, la economía, la flora y la fauna de la isla.
