Marriage Is Like Dancing Richard Eyer

Marriage Is Like Dancing uses the biblical themes of the image of God and the mystery of the one flesh union of marriage to assert that marriage is not whatever we choose to make of it, but it is what God has made it to be. Readers will identify with the sometimes humorous, sometimes difficult, nature of dancing that parallels the humorous and difficult nature of marriage. This is not a book on how to fix a bad marriage, but how to support a good marriage. Newlyweds who want to get started in building a good marriage will also find this book useful. The author shares personal illustrations from his own marriage and offers a discussion guide for couples.
