Restoration

Olaf Olafsson

Restoration Olaf Olafsson

“A tremendous talent.”

—*Boston Globe*

“*Restoration* is an elegantly constructed work of fiction, seamlessly moving between the past and the present.”

—Ron Rash, bestselling author of *Serena*

Acclaimed novelist Olaf Olafsson brings us *Restoration*, a sweeping story of love tested by human frailty and the terrors and tragedies of war. Departing from the landscapes of his native Iceland—so beautifully evoked in *Absolution*, *The Journey Home*, and other previous works—Olafson sets *Restoration* in the gorgeous Italian hills of Tuscany during the World War Two years of the early 1940s. He captivates readers with a deeply emotional story in the vein of *The English Patient* by Michael Ondaatje, Ian McEwan’s *Atonement*, and other contemporary literary classics, spinning a tale of passion, art, war, and betrayal centered around a pair of love triangles and a forged Caravaggio.
