Le primarie comunali in Italia (Il Mulino/Ricerca) (Italian Edition) Fulvio Venturino, Gianfranco Pasquino

La scelta dei candidati alle cariche elettive monocratiche - sindaci, presidenti di province e regioni, capi di governo - può avvenire attraverso elezioni primarie. Spesso misconosciute, altrettanto spesso contrastate da coloro che le conoscono poco oppure hanno motivo di temerle, le primarie sono l'unica, vera, significativa innovazione politica dell'incompiuta transizione italiana. Cittadini interessati e informati hanno la grande opportunità di esercitare una piccola quota di potere politico, opportunità che hanno spesso saputo sfruttare. Dopo aver presentato un quadro d'insieme del fenomeno, il volume documenta con lucidità e accuratezza alcuni casi esemplari di elezioni primarie: dove, quando, come e, soprattutto, con quali conseguenze. I lettori troveranno qui una fonte indispensabile di conoscenze su un'esperienza inedita nel nostro paese, ma anche uno stimolo a considerare con attenzione uno degli strumenti capaci di migliorare il funzionamento di una democrazia, quella italiana, che ne ha davvero bisogno.
