## **African Feminist Politics of Knowledge: Tensions, Challenges, Possibilities**

AFRICAN FEMINIST POLITICS OF KNOWLEDGE is a book that aims to expose the dilemmas and conflicts that feminist researchers and practitioners living and/or working in the Global South have to deal with on a daily basis. The book attempts to disentangle some of these dilemmas and tensions in, challenges to, but also possibilities for feminist research and activism in the context of the cultures, practices and expectations of university bureaucracies, donor agencies and North-South collaboration. All the authors, living and working in Denmark, Ghana, Nigeria, Mozambique and South Africa, are researchers and activists. They theorise from their experiences as persons who are based in, or have worked in Africa, highlighting the dilemmas and conflicts they face as academics and researchers on one hand, and dependence on donor funding on the other.
